

## WHITE AREAS - NEWSLETTER No. 3/2020

### LIST OF C&D SERVICES - CPA/LPA 2020 PROMOTION

We hereby inform you that from the start of the marketing of services in the White Areas (C&D Cluster) the Promotional conditions below will apply. This document overwrites what was provided in newsletter No. 3/2019, limited to the P2P Active Service for CPA/LPA locations, extending the promotion period of this service for the aforementioned locations until **31 December 2020**.

### CONDITIONS

The promotion will be valid for all orders sent by the Operators to Open Fiber by **31 December 2020**.

Furthermore, the Operators' orders benefiting from the promotion are exclusively those pertaining to the Real Estate Units and services that will be available for sale by that date according to the content of Open Fiber's White Areas DB Coverage (C&D Cluster).

The promotion of the "**Fee**" component of the services involved will be valid for the entire period in which the single connection remains active (therefore also after the expiry of the promotion period) with the same original requesting Operator or, for the services that provide for it, until the first profile change.

This document lists only the items and services covered by the promotion. For all items and conditions not contained in this Newsletter, the provisions of the basic offer shown in the C&D Services Price List shall apply.

### SERVICES

The Promotion applies to the following Services only for Central or Local Public Administration (CPA/LPA) sites covered by the Infratel Network and identified in the Coverage DB published to operators with Building Status "302".
