

SERVICE LIST C&D - PROMOTION 2021

We hereby inform you that the following conditions shall apply to the GPON Active FTTH and FWA Services provided in the municipalities within the C&D Areas.

This document overwrites, extends and supplements the provisions of newsletter No. 5/2020.

CONDITIONS

This promotion applies to all activation requests sent by the Operator to Open Fiber on the Municipalities in Commercialization, within the terms specified in the "Promotion" section.

Only items and services covered by the Promotion are listed herein. For all items and conditions not contained in this Newsletter, the provisions of the basic offer shown in the Service List C&D shall apply.

PROMOTION

For activation requests received for all of the above services, the following shall apply:

- o GPON Active FTTH Services

For all activation orders placed by **31 December 2021**, OF shall apply the following access fee (VULA) per line:

PROFILE	SERVICE	INSTALMENT (Euro/month)
100 Mbit/s	Access	14.5
1 Gbit/s	Access	14.5

WHITE AREAS - NEWSLETTER N. 15/2020

The promotional fee will be maintained for the life of the line, if not subject to migration.

- GPON Active FTTH & FWA Services

Trasport fee

Until **30 June 2021**, for the delivery of traffic to any PoP of the Open Fiber Network a price of **0.5€/month** per access will be applied, independent of the volume of traffic generated by the line; no additional costs will therefore be charged to the Operator in the event of excess traffic, according to the 95th percentile calculation.
